Hard-working (or not) Fluffbuds

The tradition of docking the tails of corgis started because tails impeded them when herding cattle (what corgis were bred for). But due to a UK luxury tax on companion dogs, people would dock the tails of their non-working corgis to circumvent the tax.

PLEASE SLOW DOWN, DRIVE SAFELY AND WATCH OUT FOR EACH OTHER!

Traffic around the Schools and on the Streets

School is out for summer, but that doesn't meet playground zones are not in affect!

Please also slow down and remind your neighbours to drive slower as there are more kids home these days and they are playing in front of their houses. Don't allow your inattention and speed to be the cause of an accident. Watch out for the kids and tell your kids to watch out for the cars! **Slow down!**

SWRR

There is also the ongoing construction of and the connections to the southwest section of the ring road. This means lowered speed limits for the work that is being done. Be cautious of this and leave yourself extra time especially heading west on Fish Creek Blvd.

Traffic Issues

We will continue to advocate for traffic calming and changes in Evergreen. We are hoping one day have an open house of all residents in Evergreen to come together with city officials to discuss traffic issues we may have in Evergreen. If you would be interested in participating in this, please email traffic@myceca.ca. Even if you are happy with the traffic in Evergreen. There is only sense holding this if enough people would be willing to attend.

Community Safety

Watch out for each other!

We are each other's eyes! As many of your neighbours may be on holidays, keep an eye on their property. See something suspicious? Call the non-emergency number 403-266-1234 to report it.

Keep your doors locked and your garages closed!

Seems common sense doesn't it. But you would be surprised how many doors are left unlocked and garages open. Don't give thieves easy pickings! This goes for bikes and kids' toys left in the yard.

Unlocked doors

This usually is the highest reported crime. People have left their car door unlocked and thieves will wander the street looking for open vehicles, then swipe the valu-

ables. Did you leave your garage door opener in the open? Now they have access to your house, especially if you left your man door open. Don't be paranoid but be vigilant. The CPS promotes the 9 pm lock down quite a bit. At 9 pm lock everything down before you go to bed. A good habit to get into.

Once again, if you witness any traffic issues on an ongoing basis, please take the time to both report it to me at traffic@myceca.ca and also via the Traffic Service Request directly to the police. This can be done at <http://www.calgary.ca/cps/Pages/Traffic/Traffic-Service-Requests.aspx>

Please report road and sign issues to 311. This can be done by calling 311, or online at <http://www.calgary.ca/CS/CSC/Pages/311.aspx> or at the app website <http://spot311.calgary.ca>

If you have any traffic or safety questions or concerns, or wish to comment on anything I have written here, you can email me at traffic@myceca.ca

Thanks,

Paul Bushell, Traffic Director

WHAT IS A COMMUNITY ASSOCIATION?

What is the Community Association and what do they do? "Why do they need my support?" you may ask yourself. Read the below article to find out more about your community association.

Many people associate community associations with a building, but CECA is one of a few community associations without a building. Taken from the Federation of Calgary Communities website:

Your neighbourhood has a community association: a not-for-profit organization run by your neighbours and other volunteers dedicated to providing you with social, recreational and educational opportunities close to home, a variety of special events to bring you together as residents, and a voice for your community!

Purchasing a community association membership is a great way to get involved and show your support for the many ways your neighbours work to ensure you love where you live.

There are many benefits to having a membership to your community association. The Federation offers discounts with Cloverdale Paints, Servus Credit Union and Stealth Alarms. CECA have many discounts for many local businesses. Orangetheory Fitness, Lawn Guard, Castle Toys and many more. See the info online at www.myceca.ca/membership.

There is more information about Community Associations online.

Check out this link: <https://calgarycommunities.com/community-info/what-is-a-community-association/>

A Community Association is only as good as the volunteers that run it and the community that supports it. What is put into a community and is sowed is what you will get out of it. A community that knows and supports each other, not only is stronger but also safer. Community residents that look out for each other, help each other in times of distress, and enjoy spending time together which makes living in that community enjoyable and worthwhile.

The Calgary Evergreen Community Association continues to work towards providing events that allow residents to come together in fun. Working towards

amenities such as a permanent ice rink and others that will help support any community programs or events. Working with our stakeholders and partners, whether being neighbouring communities, or city officials that we advocate to in order to make living in the community better.

Support your community by becoming a member or continuing to renew your membership. Get involved, by volunteering at events, or on committees, or joining the Board of Directors and help steer the direction of the community that will continue to make it a great place to live.

If you have any questions about the Calgary Evergreen Community Association, email us at info@myceca.ca. Also come out to any of our events and talk to a board member about how you can get involved.
